**Effective Use of Space for
Educational Interpreters
Skills Development for English-to-ASL**

With Julie Simon

Saturday, April 12, 2008

8:45 a.m. – 4:30 p.m.

This workshop will focus on how to effectively use space and spatial placement when interpreting in K-12 and post-secondary settings. Participants will practice interpreting from English-into-ASL and English-into-English-like signing while working with maps, graphs, charts and math. Participants will also be able to focus on utilizing features such as non-manual markers, number incorporation, grammar, and vocabulary. The workshop will include extensive skills development practice, as well as large and small group discussion.

Workshop will be presented in English.
